

Application

The FieldSmart FSC Pole Mount Kit provides the ability to pole mount the 288-port PON or 432-port cross-connect cabinet. Also available is the FSC Wall Box Pole Mount Kit and the Pole Mount Under Plate Kit.

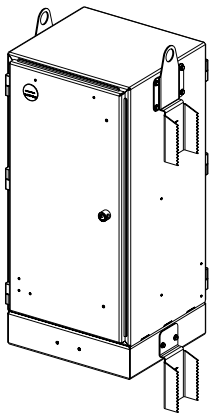

Description

The FieldSmart FSC Pole Mount Kit provides hardware that attaches to 288 or 432 cabinets which are subsequently attached to a pole.

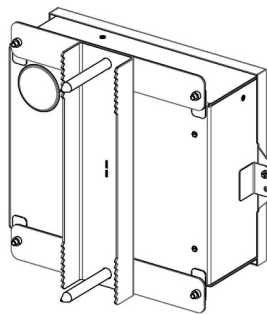

Features & Benefits

- Easy to install hook and tab design
- Cabinet, with proper slack loop, can be removed from pole for easier installation/trouble shooting/service turn-up
- 288-port cabinet installations only
- Rugged thru-pole lag bolt design for security

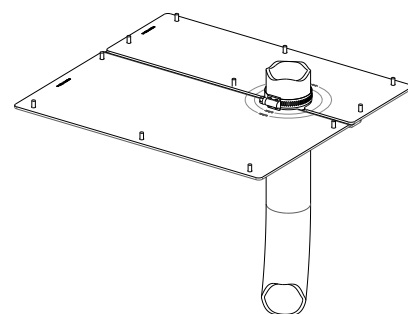

Note: Customer needs to supply their own hardware to secure cabinet to the pole.
