

# FieldSmart Fiber Delivery Point (FDP)

## Splice Only Pedestal Inserts

### Application

The FieldSmart FDP Splice Only Pedestal Inserts provides splice or interconnect connectivity at the access point for the last mile drop.

### Description

The FieldSmart FDP Splice Only Pedestal Inserts incorporates field-tested designs to provide a solution that is easily installed and modified from splice only drops to Clearview Multiplied solutions. The pedestal products can be configured to support any access point configuration for multi-fiber, ring cut, and drop cable solutions. Clearfield designed back plane bulkheads to integrate into industry standard pedestals.

### Features & Benefits

#### Integrity

- RUS listed
- GR-13 core
- RUS PE-91

#### Protection

- Open architecture
- Flood-proof
